Culpeper County Parks and Recreation Department Debuts Online Registration for Winter Programs and Activities

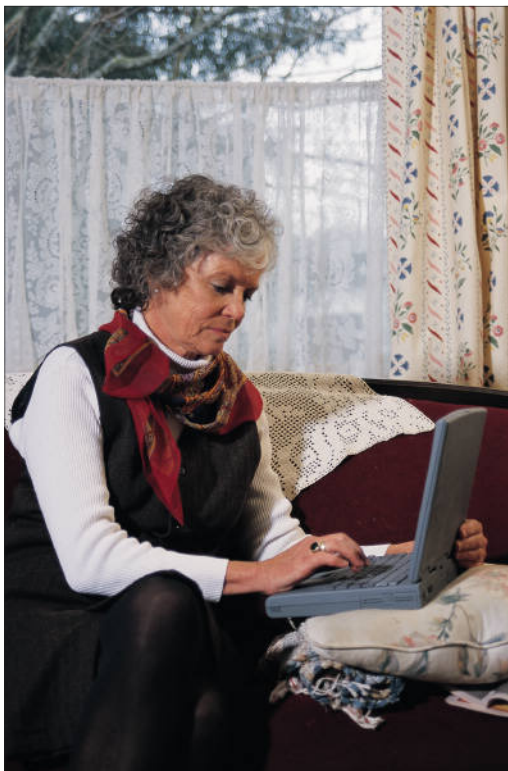

Be First In-Line, Online!

Driving value and convenience for the local community, the Culpeper County Parks and Recreation Department will offer online registration for classes and activities beginning January 9, 2009. The department has chosen San Diego-based **The Active Network, Inc.**, a leading provider of software technology and marketing solutions for community service organizations, to provide the online service. With online registration capabilities, thousands of recreation participants will now be able to view, register and pay for the recreation department's many activities, including dog obedience classes, gymnastics, horseback riding and baby sign classes at any time, from any Internet-enabled computer.

"For the first time our customers can pay online with a credit card and view up-to-date class and program information," explained Tabitha Riley, Programs & Facilities Supervisor for Culpeper County Parks and Recreation Department. "The Active Network's online registration system will streamline administrative duties within our department and enhance overall efficiency for everyone involved."

By making online registration services for classes, programs and activities available 24/7 via the Internet, the department can reallocate staff time to increase services and reduce the paperwork required to process registrations. The Active Network's Internet registration makes signing up for programs simple, fast and convenient. The community can search for activities; view program details, schedules and availability; register in just minutes; and pay online with a credit card. As an added convenience, registrants will receive an e-mail immediately following an online transaction to confirm their enrollment in a program.

To access the Culpeper County Parks and Recreation Department's online registration service, please visit the Web site at **web.culpepercounty.gov** or call (540) 727-3412 for more information.

Kettlebells provide a more challenging workout than regular dumbbells due to the handles being off-center. Registration Information

ActiveNet

- ActiveNet is the new recreation software the department has obtained to process registrations, provide online registration, and accept credit card payments.
- To begin using this system each household must have an account set up in order to register for any Department activities. Please complete the "ActiveNet Customer Account Form" on page 24 and fax or mail it to the department. You can also set up your account online. This form only has to be completed once.
- Registrations cannot be processed until the "ActiveNet Customer Account Form" has been received and processed by the Department; or you have set up your account online.

Registrations:

- Registrations are welcome upon distribution of class information. Full payment must accompany registration in the form of credit card, cash, checks, or money order payable to Culpeper County Parks and Recreation.
- Registrations are accepted on a first-come, first-served basis. Anyone can participate regardless of County of residence.
- The Department is unable to accept telephone registrations at this time.

Registration Decision:

- The registration decision date is when the Department has to have the minimum number of registrations to offer the activity. If the minimum is met by this date, registrations will continue to be accepted, unless otherwise stated, until the activity is full. However, if minimum is not met by this date, the activity will not be held. So for everyone's benefit, please have your registration in before the decision date.

Adjustments

- Department staff has made every effort to prepare this section of *The Culpeper Minutes* as accurately as possible, however, errors can occur. Circumstances may require that adjustments be made to programs, fees, schedules, etc. The Department reserves the right to make any necessary adjustments. The staff apologizes for any inconvenience these errors or adjustments may cause.

Refunds:

- If a participant needs to withdraw from a program, a full refund will be issued if the Parks and Recreation Department has been notified before the start of the second class.
- If a participant withdraws from a program after the start of the second class, then a pro-rated refund, less a \$3 processing fee, will be issued.
- Refunds for one-day activities and all bus/van trips will be given in full, prior to the registration deadline. After the registration deadline refunds, less a \$3 processing fee, are **only given** if a substitute(s) is found and that substitute(s) registers with the Department before the activity/trip date.
- A refund check is mailed to the address on file and can take up to 45 days to receive.

Cancellation Policies:

- The Parks and Recreation Department reserves the right to cancel activities for any reason. Refunds are given for any canceled programs.

From the Director's Desk...

Volunteers from **Wachovia Bank** take part in The Day of Caring by planting several needed trees and bushes throughout the Culpeper Sports Complex. This is the second year that Wachovia staff has participated in landscaping efforts at the park.

A Day of Caring

The Piedmont United Way once again hosted “*A Day of Caring*” this year on September 19, 2008. *A Day of Caring* is a day in the fall when hundreds of volunteers from local companies and organizations take time to provide local agencies and schools the manpower to complete projects for the good for the community. For the past two years the Culpeper County Parks and Recreation Department has welcomed the Day of Caring volunteers. Without these volunteers, many projects would be left uncompleted.

Thank you, Volunteers!

Manager Joseph Tucciarone and staff from **Lowe's Department Store** in Culpeper devoted a day's work to build five raised garden beds for the Therapeutic Garden at the Culpeper Sports Complex for their part in a Day of Caring. Lowe's has contributed all of the supplies to build the raised beds for that day and will complete the project in the spring 2009 by donating and planting herbs and flowers in the beds. A blacktop trail will be laid for ADA accessibility to the beds. Each bed will consist of a vegetation that will relate to a sense lost by an individual. The Parks and Recreation Department is still seeking a donor to make signs in Braille for the trail.

Gary Fay (top right) of **Battlefield Automotive** stands with Elizabeth and Matthew LaRosa winner of the auto-graphed D.C. United soccer ball and Barra Brava 12th man shirt. Mr. Fay sponsored the raffle and the winning ticket was sold

by Andy Becker of **Becker's Sporting Goods**. All proceeds went to the **Culpeper Recreation Foundation** to build the restroom/concession stands at the Complex. Mr. Fay also sponsored the previous raffle to win Washington Nationals baseball tickets.

The **1st Culpeper Cycling Century** took place on October 4, 2008. The event registered 75 riders that biked through the beautiful hills of Culpeper County. The event was sponsored by **Culpeper Recreation Foundation Inc.** with proceeds going towards the construction of the two restroom/concession stands for the Sports Complex.
